## INTRODUCTION

The purpose of this publication is to present to our guest and the general public attending the 27th Congregation a statistical information about the University of Science and Technology.

This information, which is presented in the form of tables covers only three main areas of the University's operations, ie, Student, staff and finance. It is hoped that subsequent issues will provide more information with graphical illustrations.

Comments and suggestions about the publication are most welcome. Such comments/suggestions should be directed to the Planning Unit, Vice-Chancellor's Office, UST-Kumasi.
