## INTRODUCTION

The objective of this publication is to present to our guests and the general public attending the 31st Congregation statistical information about the University of Science and Technology, Kumasi.

This information, which is presented in the form of tables and graphs, covers three main areas only of the University's operations, namely, students, members of staff and finance. It is anticipated that subsequent issues of the publication will reflect more information and illustrations.

The list of academic faculties of the Universities is given below to help readers in the understanding of the distribution of students and members of staff by faculty:

- Faculty of Agriculture
- College of Art
- School of Engineering
- Faculty of Environmental and Development Studies
- School of Medical Sciences
- Institute of Mining and Mineral Engineering
  - School of Mines, Kumasi
  - School of Mines, Tarkwa
- Faculty of Pharmacy
- Faculty of Science
- Faculty of Social Sciences
- Institute of Renewable Natural Resources

Comments and suggestions for the improvement of this publication are most welcome. Such comments and/or suggestions should be addressed to the Planning Unit, Vice-Chancellor's Office, University of Science and Technology, Kumasi.
