ABSTRACT

The objective of this publication is to present to our guests and the general public attending the 42nd congregation, statistical information about the Kwame Nkrumah University of Science and Technology (KNUST). The information presented in the booklet covers the staff strength and students' population of the University for the 2007/2008 academic year.

For the 2007/8 academic year, 17,426 applicants were received but only 8,421 representing 48% could be admitted mainly due to limited academic facilities. The student population was 24,188 made up of 17,263 males (71%) and 6,925 (29%) females. International students' population was 736 with the distribution for males and females being 413 and 323 respectively. The nationality of the foreign students' was distributed over twenty-seven countries.

On residential status, the eighteen halls and hostels (of which seven are privately owned) could accommodate 11,173 representing 46.8%. Private investors are encouraged to take advantage of the prevailing favourable tenure system to provide accommodation for the rest of the 53.2% that are non-residents.

The teaching staff strength of the University is 775 and are being supported by 2,580 non-teaching staff.

Comments, suggestions and corrections for improvement of the publications are most welcome and should be addressed to the Quality Assurance and Planning Units (QAPU), Vice Chancellor's Office, Kwame Nkrumah University of Science and Technology, Kumasi.
