ABSTRACT

The objective of this publication is to present to our guests and the general public attending the 44th congregation, statistical information about the Kwame Nkrumah University of Science and Technology (KNUST). The information presented in the booklet covers the staff strength and students' population of the University for the 2009\2010 academic year.

For the 2009/2010 academic year, 22,456 applicants were received but only 12,407 representing 55% could be admitted mainly due to limited academic facilities. The student population was 26,302 made up on 19,114 males (73%) and 7,188 (27%) females. The population consists of 15% (3,945) and 85% (22,357) postgraduates and undergraduates respectively. International students' population was 838 with distribution for males and females being 479 and 359 respectively. The nationality of the foreign students' was distributed over thirty-one countries.

On residential status, the eighteen halls and hostels (of which seven are privately owned) could accommodate 11,011 representing 45.7%. Private investors are encouraged to take advantage of the prevailing favorable tenure system to provide accommodation for the rest of the 54.3% that are non-residents.

The strength of the University is 3,309 comprising 882 senior members, 834 senior staff and 1,593 junior staff.
