## Basic Statistics for 55th Congregation

November, 2021

## ABSTRACT

The objective of this publication is to present to you, our guest, and the general public attending our 55th congregation, statistical information about the Kwame Nkrumah University of Science and Technology (KNUST), Kumasi. This booklet contains information covering staff strength and student population for the 2020/2021 academic year. For this academic year, we received a total of 95,349 applications, of which 47,673 (50%) were males and 47,676 (50%) were females. Of this number, only 54,818 were admitted - of which 43,275 enrolled - mainly due to limited academic facilities.

Our current student population stands at 87,444 with 50,092 (57%) males and 37,352 (43%) females. The above figures, however, are inclusive of Diploma students from Health Training Institutions and Colleges of Education affiliated to KNUST. KNUST currently has an international student population of 699 made up of 364 (52%) males and 335 (48%) females from 39 countries.

Our current staff strength also stands at 3,444 with 2,525 (73%) males and 919 (27%) females.

A total of 10,159 undergraduates – made up of 6,080 (60%) males and 4079 (40%) females are being presented for this graduation, as well as 1,565 postgraduates, made up of 1066 (68%) males and 499 (32%) females.
